Area of Interest Form

Dr. Mr. Mrs. Ms. Miss

Preferred Language: English French

Name: _____

Date: _____

Job Title: _____

Phone: _____

Organization: _____

email Address: _____

Address: _____

City: _____

Province: _____

Postal Code: _____

e-Chronicle Registration

The e-Chronicle is a regular e-publication from Chromatographic Specialties Inc. It showcases new products, suppliers, literature, and news from across the chromatography industry.

Add me to your e-chronicle distribution list (you can opt out at any time).

Education and New Developments (check all that apply)

Innovations in: GC HPLC Sample Prep Other _____

Education (tech tips, seminars, etc): GC HPLC Sample Prep Other _____

Which Laboratory Techniques / Analyses are Relevant to You?

GC or GC-MS HPLC or LC-MS Sample Preparation Inorganics

Total # of GCs Make/Model/Qty: _____

Total # of LCs Make/Model/Qty: _____

Which Industries Describe Your Work?

- | | | | |
|---|--|--|--|
| <input type="checkbox"/> Environmental | <input type="checkbox"/> Fuels / Petrochem | <input type="checkbox"/> Industrial Chemistry | <input type="checkbox"/> Cannabis |
| <input type="checkbox"/> Pharmaceutical | <input type="checkbox"/> Cosmetics | <input type="checkbox"/> Clinical / Diagnostic | <input type="checkbox"/> Forensic / Toxicology |
| <input type="checkbox"/> Food and Flavour | <input type="checkbox"/> Agriculture | <input type="checkbox"/> Biochemistry | |

Which Types of Analytes Do You Work With?

- | | | |
|---|--|--|
| <input type="checkbox"/> Chiral | <input type="checkbox"/> BTEX | <input type="checkbox"/> Alcohols |
| <input type="checkbox"/> Allergens | <input type="checkbox"/> Oxygenates | <input type="checkbox"/> Fatty Acids |
| <input type="checkbox"/> Volatiles | <input type="checkbox"/> Sulfur Compounds | <input type="checkbox"/> Essential Oils & Fragrances |
| <input type="checkbox"/> Semi-Volatiles | <input type="checkbox"/> Simulated Distillation | <input type="checkbox"/> Carbohydrates |
| <input type="checkbox"/> Dioxins / Furans | <input type="checkbox"/> Biofuels | <input type="checkbox"/> Food Safety |
| <input type="checkbox"/> Oil and Grease | <input type="checkbox"/> Finished Petrochem Products | <input type="checkbox"/> Proteins / Amino Acids |
| <input type="checkbox"/> Endocrine Disrupters | <input type="checkbox"/> Drugs of Abuse | <input type="checkbox"/> Vitamins |
| <input type="checkbox"/> Solvents | <input type="checkbox"/> Arson Testing | <input type="checkbox"/> Hormones |
| <input type="checkbox"/> Resins | <input type="checkbox"/> Explosives | |
| <input type="checkbox"/> Polymer Additives | <input type="checkbox"/> Drugs (Small Molecule) | |
| | <input type="checkbox"/> Vaccines / Biomolecules | |
| | <input type="checkbox"/> Plant Extracts / Nutraceuticals | |

If you would like to include more specifics about your analyte types, please add them here: _____

Specialized Analytical Techniques

- | | | |
|--|---|---|
| GC | HPLC | Sample Preparation & Collection |
| <input type="checkbox"/> High Temperature Analysis | <input type="checkbox"/> Ion Chromatography | <input type="checkbox"/> SPE |
| <input type="checkbox"/> Metal Capillary Columns | <input type="checkbox"/> UHPLC | <input type="checkbox"/> QuEChERS |
| <input type="checkbox"/> Purge & Trap | <input type="checkbox"/> Size Exclusion (GPC / GFC) | <input type="checkbox"/> Filtration |
| <input type="checkbox"/> Pyrolysis | <input type="checkbox"/> Preparative HPLC | <input type="checkbox"/> Sample Derivatization |
| <input type="checkbox"/> Headspace | | <input type="checkbox"/> SFC / SFE |
| <input type="checkbox"/> SPME | | <input type="checkbox"/> Air Monitoring or Sampling |
| <input type="checkbox"/> Thermal Desorption | | <input type="checkbox"/> Vials |
| <input type="checkbox"/> Methanizers | | <input type="checkbox"/> Bottles |
| | | <input type="checkbox"/> Glassware / Plasticware |

Instrumentation and Hardware Needs

- | | | |
|--|---|--|
| Chromatographs | Other | |
| <input type="checkbox"/> GC | <input type="checkbox"/> Autosamplers | <input type="checkbox"/> Valves |
| <input type="checkbox"/> HPLC | <input type="checkbox"/> Gas Generators | <input type="checkbox"/> Surface Deactivation Coatings |
| <input type="checkbox"/> UHPLC | <input type="checkbox"/> Osmometers | |
| <input type="checkbox"/> Preparative LC | <input type="checkbox"/> Automated Sample Preparation | |
| <input type="checkbox"/> GPC | <input type="checkbox"/> Diluters / Dispensers | |
| <input type="checkbox"/> Portable Chromatographs | <input type="checkbox"/> Process Analyzers | |
| <input type="checkbox"/> MS Detectors | <input type="checkbox"/> Centrifuges | |
| <input type="checkbox"/> Universal Data Systems | <input type="checkbox"/> Spectrophotometers | |
| | <input type="checkbox"/> Other Small Instruments | |

We strive to only send information of relevance to YOUR work and interests.
If you would like to tell us anything more about those, please add them here: _____
